PERMISSION TO WALK TO JACK RING RESERVE RIVERVALE

1 February 2017

Dear Parents,

During the school year we would like the opportunity to walk children to Jack Ring Reserve for lunch time play. We are requesting parent permission to walk students to Jack Ring during school hours.

Your permission will allow teachers to walk students to the Reserve and utilise the open space. This will provide us with opportunities to take students during lunch breaks and during school hours for further physical exercise and open space play.

The permission slip will remain current until 8 December 2017.

Please complete the following slip if you give permission for your child to walk to Jack Ring Reserve as part of providing a larger space for children to play and return to your child's class teacher.

Yours truly
Jonnine Lamborne
Principal
