My house backs on to the park – how will the proposed building work affect me?
It is proposed that the park will be developed in stages and residents will be notified of the work schedule in advance. It is anticipated that there will be minimal disruption to residents during the building phase.

What if I don’t like something in the plan?
This is your opportunity to have your say and to let the City know what you want to see at Copley Park. If you don’t like an element of the plan, please use the City’s discussion forum to advise what you don’t like and how you think the plan could be improved.

Who owns Copley Park?
Reserve 44885, commonly known as Copley Park, is owned by the City of Belmont and the Water Corporation.

When will work start on the upgrading of Copley Park?
Once feedback has been received from the community on the draft plan, the final plan will be produced that considers all the feedback received. Work will then be scheduled and undertaken in stages.

Who should I speak to if I have any questions or wish to raise an issue or suggestion?
The City encourages you to provide feedback at the Open Day or using the feedback sheet provided. However if you wish to speak in person to a representative from the Planning team, please contact the City’s Parks Projects Coordinator, Gerard Healy on 9477 7188.
