RATIONAL
Information and Communication Technology (ICT) is utilised in St Augustine Primary School for learning, teaching and administration. The availability of such resources provides the opportunity for schools to help students develop their full potential. ICT provides significant educational value but can pose risks regarding safety, personal reputation and corporate reputation.

In accordance with the teachings of the Catholic Church, the practice of communication must reflect the highest standard of accountability and sensitivity to human rights and relationships.

DEFINITIONS
‘Information and Communication Technology (ICT) means all hardware, software, systems and technology including the internet, email, telecommunication devices (e.g. mobile phones) and social media (e.g. Facebook)

Defamation is the publication, declaration or broadcast of material that is capable of lowering a person in the estimation of others.

Harassment, Discrimination and Bullying means unlawful behaviour as defined in the Catholic Education Commission policy statement 2-C4 ‘Harassment Unlawful Discrimination and Bullying’.

Social media refers to a group of internet based applications that allow users to share information and create communities.

PRINCIPLES
1. At St Augustine Primary School ICT is utilised for educational purposes only.
2. At St Augustine Primary School ICT is a tool to support learning. Access to ICT can be removed if school guidelines are broken. Students using ICT must not break State or Commonwealth laws (a summary of these laws is an attachment to this Policy and forms part of this Policy).
