**Weekly Prayer**

Philippians 4:6 “Don’t worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done.” (NLT)

Dear Lord, thank You for the experiences in our lives. We know there will be trouble and turmoil. We know there will be issues and problems. We know there will be tests and temptations. But we also know You will be there with us during all those times. We also know You want to help us and carry us through those times. Forgive us of any anxious thoughts we have had. We give You our thoughts so You can help us not to be anxious but to be grateful.

In Jesus’ name.

Amen.

Prayer Assembly this morning highlighted our School Value of Guide. The Year Six students reverently lead the children in prayer noting the importance of tolerance and compassion. Thank you to all who were able to be part of this assembly.

Lightning Carnival yesterday the Years Five & Sixes competed against their Sacred Saints partners in Football, Soccer and Netball. Well done Team St Augustine for displaying your superb sports skills and manners! Thank you to the staff and parents who have assisted in the competition this term, we appreciate all your help and support.

Reports have been sent electronically today. Many parents have already spoken to teachers about their child’s learning. All parents are encouraged to regularly keep in touch with class teachers, report time is an opportunity to seek clarification and continue the dialogue to be informed of your child’s learning.

Due to off-site professional learning days next week, Mr Vine, Mr Huntington and Mrs Pen will not be available for interviews on Wednesday and Thursday. Appointments can be made around these days.

The report format is a point of discussion amongst the staff; we have our opinions about it. Please feel free to provide your opinion, as we review this format for second semester.

Year 6 Leadership Principal for a Day next Tuesday Jordan C will be the ‘Principal for the Day’, an initiative from the Principals Australia Institute. This opportunity has been offered as another aspect of leadership development. Hopefully Jordan will get gain insight into some of the interesting aspects of the principal role, including decision-making and communication skills. Am sure that Jordan will take phone calls from interested parents. His day will include duty, co-teaching, class visits and writing for next week’s newsletter. A busy day indeed!

Bring Your Own Mobile Device Program
St Augustine Primary School endeavours to provide all staff and students with the skills, tools and mindset to achieve success in a rapidly changing technological and information rich world.

Why implement a 1:1 Mobile Device Program?
ICT has been recognised as an important skill that provides a foundation to the new Australian Curriculum. It underpins all other learning areas.

What does your child need to know and do?
- Applying Social and Ethical Protocols and Practices
- Investigating with ICT
- Creating with ICT
- Communication with ICT
- Managing and operating ICT
What does a 1:1 Mobile Device Program mean?
By integrating information and communication technologies into all areas of the Australian Curriculum, we aim to provide powerful and effective tools to engage students; empower teachers and involve parents in developing lifelong learners. Through the 1:1 Mobile Device program we will continue to work in partnership with our parents and wider school community to develop students into responsible digital citizens who are able to interact collaboratively as members of the connected global community.

What will the device be?
Staff and the ICT Reference Group are currently considering this. There are a number of suitable devices on the market. Consideration for the chosen device is being given to functionality, suitability to the users’ age, longevity and cost. The community will be informed of the chosen device no later than Week 4 Term 3.

Classes to introduce the 1:1 Mobile Device Program?
Introduction of the devices will be staggered over the next three years. Staff and the ICT Reference Group are currently considering which years will implement the program in 2016. It is intended for a PILOT of the program to run in a class before the end of this year. The pilot class will be announced in Term 3. Those classes not implementing the 1:1 mobile device program in 2016 will continue to utilise the school’s bank of mobile devices to enhance and aid their learning in meeting the Australian Curriculum achievement standards. The community will be informed of the classes for implementation in 2016 no later than Week 4 Term 3.

What will the costs be?
Parents will be expected to supply their child with the chosen device to be used at school. The family will own the device. At this stage a number of devices are being investigated. Consideration of the chosen device will include the cost to families.

Further Information
Further information regarding the implementation will be added to the school website and delivered in Parent Information evenings through Terms 3 & 4 this year. Currently on the website is the information presented at last week’s Parent evening.

School Board News
Canteen Term 3
Due to poor sales, the School Board has decided to amend this service. As of Term 3, Canteen will only be open on Fridays. We ask that you reconsider your patronage as continued poor sales lead to cost losses. Under the terms of Catholic Education WA, school canteens need to meet running costs. The Board will continue to monitor sales during Terms 3 & 4. It is a possibility that the Canteen service may not operate in 2016. Regular and consistent support from families is required.

*I-Five Challenge UPDATE*
The Minions have been hungrily accepting all the 5 cent pieces they have been kindly given during Term 2. The bottles have been inspected and the tally for how each class is travelling is below.

Kindy - 9cms full  
Pre-Primary - 12 cms full  
Year 1 - 24 cms full  
Year 2 - 14 cms full  
Year 3 - 19 cms full  
Year 4 - 13 cms full  
Year 5 - 7cms full  
Year 6 - 7 cms full  

So the leaders heading into the school holidays are Year 1. Great job guys! The other years however are also going along well. Don’t give up. The bottles still have room to fill and there is plenty of time to win the prize for the 1st to fill the bottle to the top. Collect as many 5 cent pieces as you can over the holidays and bring them back to school for the cheeky Minions. They will be eagerly awaiting your coins during Term 3. Proceeds from the I-Five Challenge go toward purchasing updated accessories for the I-Pads within each classroom. Happy collecting everyone.

*P&F Social Calendar*

If you wish to use the calendar, please forward the information about the event to admin@staugustines.wa.edu.au by Tuesday 4pm in time to make that week’s newsletter.
