### SEQTA Engage Parent Log-in for Student Reports

Dear Parents Pre-Primary to Year 6

It is important that you please check your log in for SEQTA Engage as early as possible so that you will be able to access your child's report at the end of this term.

To do this you need to go to the following site:

<https://staugustines.coneqt-p.cathednet.wa.edu.au/> and use your current username and password credentials.

**PLEASE REMEMBER TO SAVE THE ABOVE LINK; YOUR USERNAME & PASSWORD FOR FUTURE REPORTING.**

If you have remembered your username but have forgotten your password, please click on the 'Forgot your password?' link and an immediate email will be sent to you. The email will expire within one hour, so please action this immediately.

If you have forgotten both your username and password, then please contact the school and we can remind you of your username.

**IMPORTANT:** If you are NEW to using SEQTA Engage for your child's reports please contact the school on 9260 3200 to receive instruction on how to set up a new log in account. Since 2013, our school has been using the software suite SEQTA to maintain students' attendance and keep pastoral care records. We have since introduced an extra component of this system known as Coneqt.p, an online parent portal which is able to provide parents with a range of information about their child/children's schooling and in particular produce student end of semester reports through paperless means.

If you have any issues, please contact the school on 9260 3200 or email [admin@staugustines.wa.edu.au](mailto:admin@staugustines.wa.edu.au).

Kind regards
